SUBJECT: Withdrawal of Nominee for Senior Officer Schools, 1982-83

I wish to withdraw the name of [REDACTED] as an alternate for the Industrial College of the Armed Forces for the 1982-83 school year. The impending retirement of a Division Chief will leave [REDACTED] as our sole senior manager with experience in military issues affecting South Asia. It would clearly not be advantageous to have [REDACTED] leave at this time since his services will be of critical importance in maintaining our production of intelligence on Afghanistan and Pakistan.
